Letter To Parents

Dear Parents,

For 1974-75 the Appomattox County Public Schools will be organized as follows: Appomattox Primary, grades K-2; Pamplin Elementary, grades K-6; Appomattox Elementary (former Appomattox Intermediate), grades 3-6; Appomattox Middle School (former Appomattox High School) grades 7 and 8; Appomattox County High School, grades 9-12.

The re-organized system allows for program expansion, reduction in class size and increased emphasis on an effective learning environment for each student.

New programs at the Appomattox County High School for 1974-75 will include art, electricity and electronics, power mechanics, drafting occupational home economics and a revised business education program. The academic areas of mathematics, English, foreign language and science will be strengthened by a reduction in class size, more effective coordination of instructional activities within departments and improved techniques and skill in the identification of student weaknesses with accompanying instructional activities to correct the deficiences. An additional teacher in the health and physical education department will ensure progress in this area of the curriculum.

New opportunities at the Middle School, grades 7 and 8 will include exploratory agriculture, art, music and home economics for 7th grade students.

In addition to a kindergarten program at Pamplin and Appomattox Primary, special services will be available in these schools and Appomattox Ellementary and Appomattox Middle School. At the fifth grade level at Appomattox Elementary and Pamplin a special state program will be provided for 64 students are identified as having a great disparity between reading and mathematics achievement and ability.

These plans and programs alone are not sufficient to ensure a program of effective education for each student. The total program will be successful because of the dedicated and concerted efforts given the educational program by teachers, principals, central office personnel and parents.

During the past year each school developed an annual school plan to be implemented in 1974-75, a school handbook of policies and procedures, a plan for the coordination of services within the school, guidelines for the assignment of pupils to classes, programs and activities to promote maximum learning, a system for the effective use of instructional materials and equipment, procedures to evaluate the progress of individual students and the effectiveness of the instructional program, a plan for instructional supervision and assistance to teachers, and a program of cooperative evaluation of teachers and other employees.

From the work of the individual schools and a Central Planning Committee, the School Board has adopted fourteen objectives to guide the efforts and emphasis of the school system during the next five years.

The Appomattox County School Board and school employees express appreciation to the citizens of the county for the support and assistance you have given to the public school system and your continued support, assistance and cooperation are needed and requested.

During the 1974-75 session the School Board will work closely with the individual schools to ensure that an effective program of communication is conducted. **We want parents involved in the school program. We want parents to become familiar with all aspects of the instructional program. We want to work cooperatively with parents in the interest of our most valuable resource - our youth.**

To avoid frustration on the opening date of school we suggest that you plan now to visit the school or schools which your child or children will be attending during the 1974-75 session on **August 29 or 30** to pay school fees. Schools will be open on these dates from 8:30 a.m. to 5:00 p.m.

Thanks to the **Times-Virginian**, additional information will be provided prior to the opening of schools regarding school bus routes, opening day procedures in the schools, transportation safety (rules and regulations for students) and the school lunch program. We hope this information will be helpful to you.

The school session 1974-75 offers many challenges and opportunities. With the direction provided by your School Board and the competency of the teachers and other school personnel, we feel confident that the year will be a success for the youth of the county.

If we can be of assistance to you in the School Board Office, we shall welcome the opportunity.

Sincerely,
Lloyd G. Walton
Division Supt.

Modernistic Club News

A very successful revival has just come to a close at Galilee Baptist Church, August 9, 1974. The Rev. Winston R. Jones, poured out his heart to the church, and visiting friends. Twelve souls made a confession during the revival. Those young people who confessed Christ, will have the privilege of joining the church of their choice. On the fourth Sunday in September at Promise Land, the converts will be baptized and put on the whole armor. The hour set for the annual baptizing will be 10:00 a.m. The public is invited to attend the services. Immediately following the morning worship, "Holy Communion" will be administered by pastor Lawing, and the deacons of the church and visiting deacons.

The annual revival was successful both spiritually as well as financially.

On Sunday, August 11 at the 11:00 a.m. service hour, homecoming was held at Mt. Shiloh Baptist Church, Spout Spring, Virginia and Canaan Baptist Church, Vera, Virginia. Both services were will attended and a very good time was had by members and visiting friends.

The Rev. Lawing used as theme "The Prodical Brother, who would not make "Homecoming" Joyous for His Brothers' Return."

The reasons were beautifully stated by pastor Lawing: 1. dislike for the prodical son (or younger brother); 2. jealousy; 3. anger; 4. lack of understan-

ding toward his father.

As a result, the older brother missed out on the good time and fellowship of his family and the chance he had to make his younger brother happy on his return home. The message was well taken by members and visiting friends. Promiseland Choir sang beautiful music under the direction of Brother Tim Lawing.

The Rev. Johnny Paige was the evening speaker at Canan Baptist Church. Theme for the evening - "Time to go Back Home." Scripture for the message Luke 15: 11-22. The message was beautifully explained by Rev. Paige of Amherst, Va. The Rev. Paige of Shiloh Baptist Church and his lovely choir were the special guest for the evening.

A number of singers were on program along with the Stathams from Md. Music for the evening was above board.

The finance, and fellowship was just great at both Mt. Shiloh, and Canaan Baptist Churches.

The dinner was in bountiful supplies at the two churches. Everyone who was present enjoyed both services very, very much.

All Galilee Baptist Sunday School Scholars and friends are asked to meet on the side walk of First Baptist Church, Saturday August 17th at 9:00 a.m. going to Camp at Lakeside Park in Salem for a picnic.

Be sure parents to prepare a lunch for your child and give him money for his rides or to buy lunch when he reaches the park Saturday.

Please see to it that the children well chaperoned

The Barber Shop here will be opened Friday and Saturday as usual this week under the direction of Mr. Junius Patterson.

To all Sunday or church schools, in the county, that belong to the Baptist Sunday School and Baptist Training Union Congress of Virginia will meet August 12-16, 1974 at Lynchburg College in each of the Seventy Fourth Annual Session. We trust that a number of you will attend some of the sessions this year if possible. A lot of helpful information will be given on how to run a successful Sunday School. Theme: "Responding to God's Call." Theme Song: "Make Me a Blessing."

4-Wheel Drive Jeep Vehicles: So you can see and enjoy the land that is worth preserving.

Jeep vehicles are built to take you into the normally inaccessible places of our nation so that you may see and enjoy its natural beauty. We want you and future generations to enjoy this beauty unmarred, undiminished. We ask you and every 4-wheel drive owner or operator to treat the heri - tage of our beautiful landscape carefully. Observe all regulations and laws governing the use of private and public lands. Respect the land.

Its natural beauty can never be replaced.

Big and small features on the 1974 Jeep Wagoneer help to make it the best of the breed. Big standard features such as Quadra-Trac automatic full-time 4-wheel drive, Turbo Hydramatic transmission, 360 V-8 engine, variable ratio power steering and power front disc brakes. Small features like a redesigned defroster system with larger duct outlets for improved heat distribution and a stronger fuel tank filler neck for increased durability. Jeep Wagoneer is available two ways: Standard or Custom model. Either has thick foam-padded front and rear bench seats, roomy interior, wide windshield. The Wagoneer looks smart at the country club and handles well towing a trailer or negotiating a rock-strewn stream.

**JEEP TRUCKS take the limits off. You can find a 4-wheel drive Jeep truck to fit your requirements for work or play, on-road or off-road. They are available in three choices of trim: standard, custom and pioneer. A number of special camper options and a special camper package are available. So are wide range trailer towing options and, importantly, Jeep's exclusive automatic full-time 4-wheel drive system, Quadra-Trac is offered on every Jeep Truck. So, if you are an outdoorsman who works hard or plays hard, get the pickup truck that is hard to beat. Get the 1974 Jeep Truck.

Jeep CJ-5 is first and foremost a 4-wheel drive vehicle. It possesses legendary built-in toughness with features like heavy-duty frame and strong steering control assemblies. It is highly maneuverable because of such features as an 8-inch-high ground clearance, short turning radius and short front and rear overhang.

Jeep Cherokee the longest wheelbase in their class for a smooth ride plus standard full-foam front bucket seats and full - foam rear seat, attractive interior and exterior trim and all the 4-wheel drive ruggedness you can expect from Jeep vehicles.
